MX customers: Customs/brokerage fees paid by KRS. Import per NAFTA MX/CA.
INTERNATIONAL off-continent orders include ocean freight; VAT; customs/import duties; other associated fees not specifically included in quotation.

PRODUCTION TIME:

The time from order to delivery depends upon the type of boat ordered and the current seasonal demand. Average delivery times range from 3-12 weeks.

DELIVERY COSTS / SHIPPING OPTIONS: Commercial / Trailer / Factory Pickup:

You can arrange to pick up your order from our factory facility in Southwest Ontario. From the US, we are easily accessible from Michigan via Detroit/Windsor (130 miles) or Port Huron/Sarnia (approx. 62 miles) or from New York via Buffalo/Niagara Falls (130 miles). Most driving is on multiple-lane highways. Orders not picked up by the customer may be shipped by Boat Trailer to a company scheduled regatta for reasonable rates according to boat size. We utilize all possible venues to secure safe, timely, and cost effective delivery. All shells except non-sectioned Eights can be shipped by Commercial Truck for \$550 in the continental US, some CA provinces, and to the Mexican border. Shipping to off continent countries is by ocean freight quotation.

INSURANCE:

Customers are encouraged to have insurance in place on the date boats leave the factory for delivery. Commercial Delivery is insured, but Personal Pickup and Trailer Transport to and from regattas is not.
